The screenshot shows the Credo Librarian Admin interface. At the top left is the Credo logo. Below it is a navigation menu with tabs for Customer Support, Collection Management, MARC Records, Usage Statistics, and Customizing Credo Reference. A secondary menu includes Add Your Logo, My Library Links, Linking to Other Databases, Topic Page Set-up, Preferences (highlighted), OpenURL Set-up, Change, Remote, and Integrations. The main content area is titled "Preferences" and contains two sections: "Citation management" with checkboxes for EasyBib, NoodleTools, RefWorks, and Zotero; and "Citation format" with radio buttons for APA (selected), Chicago, Harvard, and MLA.

“Preferences” is now “Credo Settings”

The screenshot shows the Infobase Admin interface. The top navigation bar includes Reports, Usage Boosters, Title Data, and Product Settings (highlighted). The main content area is titled "Credo Settings" and contains three sections: "Default Citation Format" with radio buttons for APA (selected), Chicago, Harvard, and MLA; "Citation Tool Options" with checkboxes for EasyBib, NoodleTools, RefWorks, and Zotero; and "LibChat Widget from Springshare" with a text input field. Below these is a "Links Management" section with three rows, each containing a "Display Text" field and a "Url or Email" field. A "Save" button is located at the bottom right.

Choose citation displays, enable citation management options, activate LibChat widget, and add external links to your *Credo Source* platform.

Admin Site: OpenURL Settings

The image shows two overlapping screenshots of the Credo Admin Site. The top-left screenshot displays the 'OpenURL Resolver Settings' page, which includes instructions for linking to an institution's OpenURL link server. It features input fields for the 'Location of your OpenURL link server' (with the example 'http://sfx.library.edu/sfx'), 'Upload custom link icon', and 'Custom link icon title text'. There are 'SAVE' and 'DELETE' buttons at the bottom. Below the settings is an 'Example Screenshot' showing a list of 'Related entries' with a 'References' section. A red box highlights a citation: 'Abouheif, E. (1997). Developmental genetics and the evolution of the head. *Ecology and Evolution* 12: 405-408'. A red arrow points from the 'Upload custom link icon' field in the settings to the citation. A caption below explains that the graphic shows the location in the entry display where the custom link icon will be placed.

The bottom-right screenshot shows the 'OpenURL Settings' page in the 'Infobase Admin' interface. It includes a navigation menu with options like 'Reports', 'Usage Boosters', 'Title Data', and 'Product Settings'. The main content area has the same 'Location of your OpenURL link server' field. Below it is the 'Upload custom link icon' section with a 'Browse...' button and an 'Upload' button. The 'Custom link icon title text' field is also present. At the bottom, there is a table with columns for 'Uri', 'Text', 'Image', and 'Settings'. The table contains one entry with the URI 'https://test.search.serialssolutions.com/' and the text 'Click for full text'. The 'Settings' column for this entry has 'Edit' and 'Delete' icons.
